

SATURDAY, 20TH SEPTEMBER, 2014
Bangalore

Presented by the Eclipse Community Bangalore, this event would provide a great opportunity to learn, explore & network with Eclipse users, contributors & committers.

Please join us for the event and spread the word among your friends and colleagues to make this event a grand success!!

The broad topics of interest for this event, but not limited to, are:

- Eclipse SDK (JDT, Platform, SWT, PDE etc.)
- Eclipse Technology Projects (EMF, GMF, WTP etc.)
- Eclipse for non-Java languages (C/C++, Perl, Scala etc.)
- Eclipse frameworks (Debugger, Commands etc.)
- Eclipse Tools for Cloud
- Eclipse for Mobile developers
